

STADIUM SEAT

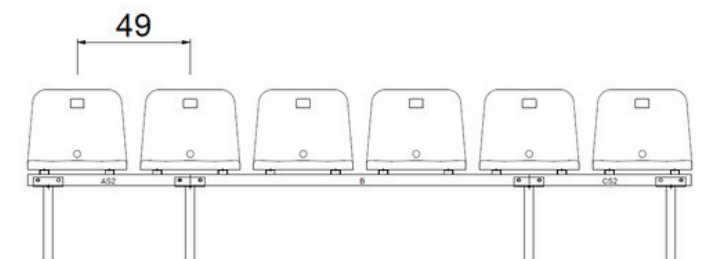

EPS 14

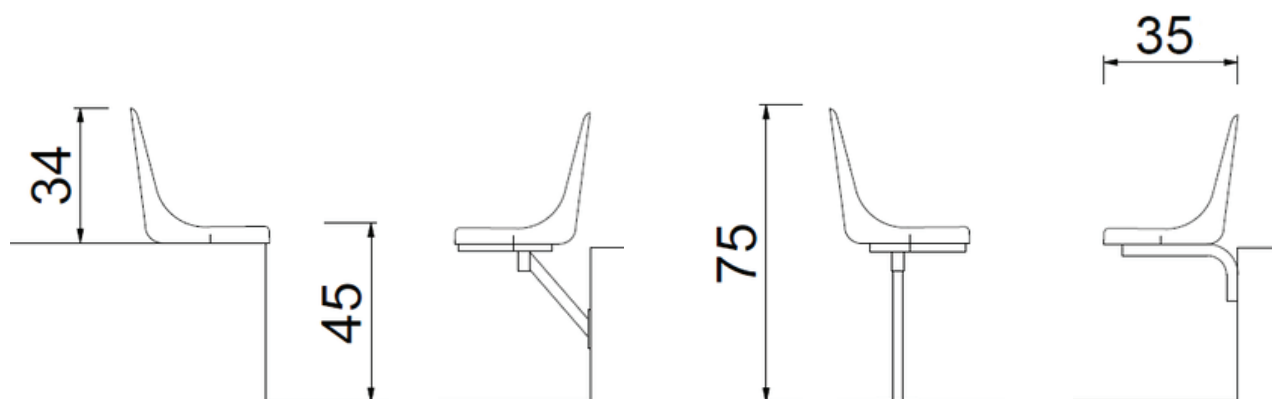

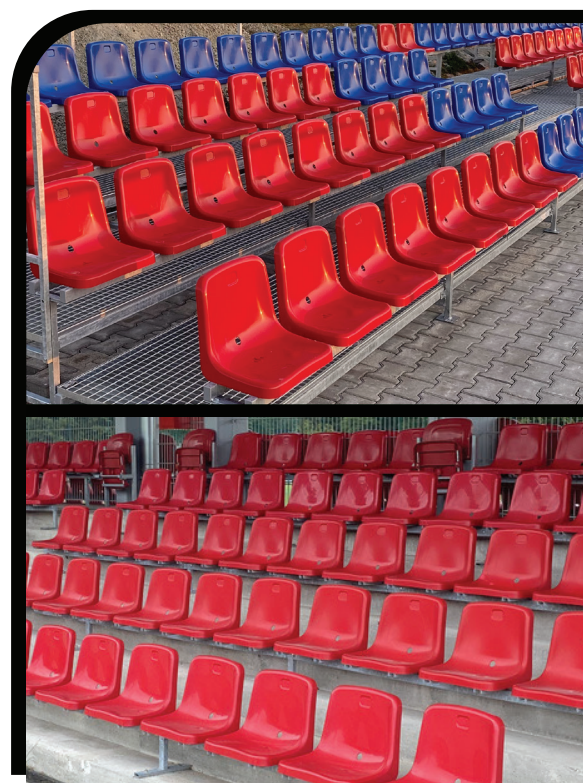

DESIGNATION

Sports facilities

The EPS14 seat with a high backrest wall is designed in accordance with the EN13200-4 standard. Ergonomic and affordable solution ensures good comfort of use. Individual selection of the fastening system allows it to be used in any sports infrastructure project.

The structure of the EPS14 seat allows it to be attached directly to a concrete surface or via a steel system structure.

COLOR

The seats are available in colors according to the RAL color palette, at the individual request of the customer.
