

STADIUM SEAT

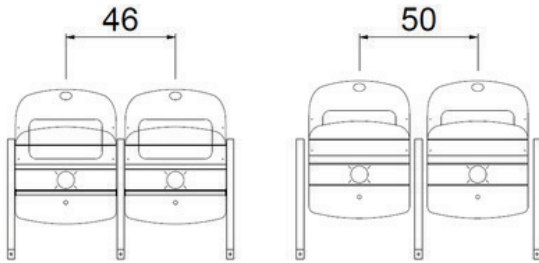

EPS 2

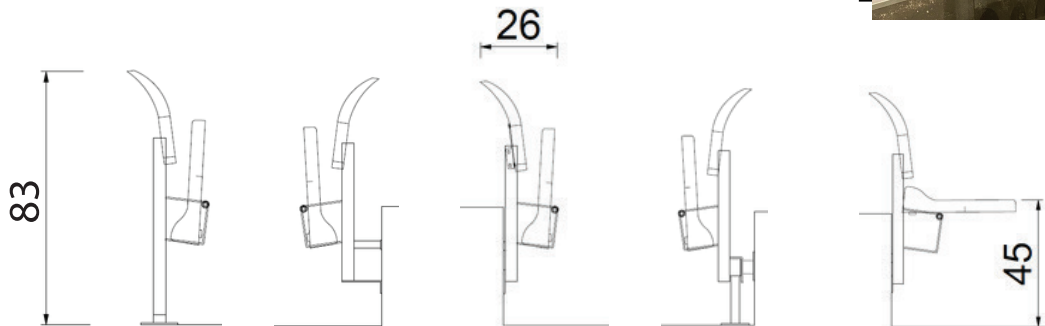

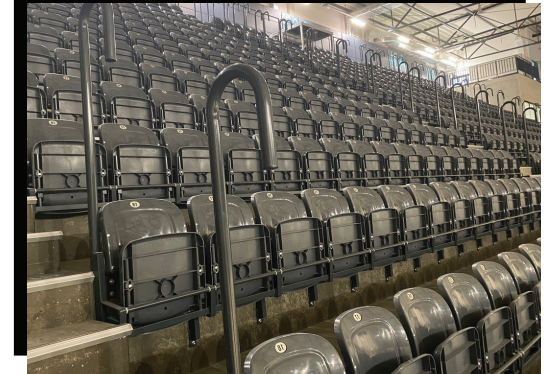

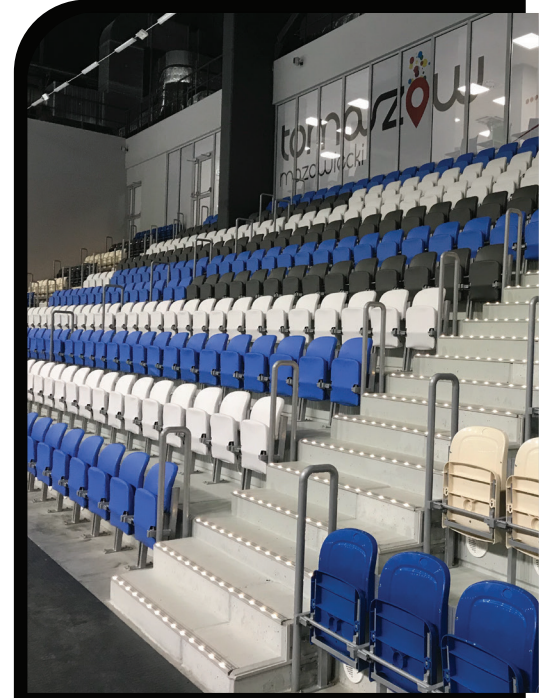

DESIGNATION

sports and auditorium facilities

The EPS2 folding seat is a classic gravity folding seat. A simple mounting system on shared metal legs allows it to fit into any audience. EPS2 seats are designed in accordance with the EN13200-4 standard. Its ergonomics is the result of a design designed for high comfort of use while maintaining very good durability parameters.

The option of armrests allows you to introduce amenities to increase the comfort of use, and the seat and backrest covers carefully made of high-quality material allow the use of the EPS2 model in VIP and business zones.

COLOR

The seats are available in colors according to the RAL color palette, at the individual request of the customer.
